A friendly reminder uniform should be worn to class. This term the teachers are doing random spot checks and those students in uniform will have their name go into a prize draw at the end of term.

EXTRA LESSONS/PRIVATE LESSONS

Extra lessons to be held on Sundays will be offered closer to the exams. We are also able to offer some private lessons leading up to the exams, these are charged at \$25 per half hour. Please contact me if you would like to book one.

PRACTICE

Please encourage your dancer to practice at home, even once between weekly classes makes a huge difference. If you would like the music, please supply a cd.

Dancers keep looking for the perfect teacher without realising it is all there within themselves. You teach yourself; your teacher is a guide. If you do not hear the advice, corrections and words of your guide it makes no difference how great the teacher – author unknown.

Any questions please don't hesitate to ask. Take Care, Caroline
