I am happy to do any of the above hairstyles however please ensure you are at the studio 45 mins before your examination time. Otherwise please be at the studio, all ready to dance 30 mins before your examination time.

Please remember students should have short nails, no jewellery, no make up, black socks (as part of their uniform).

To parents of students sitting pre-grades, please remember you are invited into the exam room at the end for the presentation of the rosettes (cameras are allowed).

Examiner

Thank you so much to the three lovely ladies who have offered to make the examiner a nice lunch. If anyone is able to help out with morning/afternoon tea during the three days it will be warmly received. My skills are better left to the dancing and hairstyles! Lol
