## MESSAGE TO THE STUDENTS

Five weeks to go until your exams! We encourage you to practice at home, in order to polish your work, you need to know it completely. We want you to do your best and take pride in your performance. Remember to start bringing that smile to class to ensure it is there on exam day.

**If you stumble, make it a part of your dance!**

**When you dance your purpose is not to get to certain place on the floor. It's to enjoy each step along the way - Wayne Dyer**

**I may not be there yet, but I am closer than yesterday!**

**Darling don't be too shy to dance your heart out**
