

DANCE TO THE RHYTHM OF LIFE

Due to The Little Theatre in Lower Hutt being yellow stickered for “earthquake prone building” my life was thrown into chaos as I searched everywhere (and I mean everywhere) for us to hold our recital. This is my 28th recital and would have been my 25th at this venue so you can imagine how upsetting this has been for me, and the whole dance family. I finally confirmed a venue but we have had to bring it two weeks early which brings a whole new lot of stress. Dances to be finished and polished; costumes to be completed; some students unable to participate; and the list goes on!

The recital will now be held on Saturday 9th and Sunday 10th November at EXPRESSIONS in Upper Hutt, times to be confirmed. Tickets will be sold by Expressions two weeks prior to the recital, cost \$15 child, \$20 adult – more information closer to the time. Students will not be allowed to purchase tickets but we will have a show on the Thursday night for them to watch everyone.

Everyone has been very supportive and I truly appreciate that. The recital might not be what we are used to but the students will still get to do what they love, performing on stage for their family and friends. This is our most talked about dance event and the highlight of our year and I promise to give my all to ensure the students shine.

We did start recital dances later than normal and now losing two weeks at the end so therefore the school holidays are being cut short and we will return to classes next week. Some classes may also be called in for weekend practices but we will know more after next weeks’ classes.

OUTSTANDING FEES

Due to exams and recital taking over I am behind on sorting out my accounts but it is on my “to do” list for next week. Please ensure you are all paid up before tickets go on sale.

NZAMD EXAMINATIONS – SESSION TWO

Unfortunately for the first time ever we have not received our results and the examiner has really let us down. I have chased these up again today and I sincerely hope they will be here any day now.

UDO EXAMINATIONS

These are due any day also, but generally these do take longer as through the UK.
