

## HAPPY NEW YEAR

2020 – I feel like the children should be travelling on hoverboards to class! (haha) – Last week four students attended a contemporary masterclass by two Australian teachers and it jolted us back to reality (in a good way) so this is a reminder to start those stretches and prepare the body (especially us older students). The countdown is on and we look forward to seeing all our smiley students and their families. And a special welcome to all the new families joining us this year.

## TIMETABLE

Everyone should have received their class information, however is attached for confirmation. Unfortunately, my website lady is away having a wonderful holiday so it will not be updated until early February.

Additional to the studio, classes are being run out of Tui Glen School on Wednesdays – so if your child's class is on this day please ensure you have the correct studio.
