### **THANK YOU**

I would like to say a BIG thank you to all my students who have had me either teaching from a chair; or standing but doing basic walk throughs. I have tendinopathy and am following Physios orders (which is not easy) at the moment, and all the students have been amazing! Also a BIGGER thank you to senior students (and teachers) who have been helping me – Madison Gray, Rebecca Goss, Kobe Betham, and – it is much appreciated.
