**Dancers arrive at the studio 5 minutes prior to their timeslot to ensure they are ready to go. Full costume, hair and make-up including dance shoes. Because of Level 2 and social distancing – no parents to enter the premises, this is a good time for those dancers with more than one dance to practice getting themselves dressed and asking for help if needed?**

**If you would like your child to have an individual/ or family/cousin's photo then please complete the attached slip and return asap – we will try to get them done in the above timeslots but if not you will be called back on Monday or Tuesday Evening with Bex (our fabulous photographer)**
