

Hi Everyone,

Like me, you were probably gobsmacked at Friday's Covid case numbers, which have continued daily since - insane numbers!

On Friday one of our students tested positive and I notified both the Wednesday classes she attended. Unfortunately today (Sunday) I have been advised three more students from those classes have now tested positive too. We wish the students a speedy recovery.

Under the new red traffic light phase no isolation is required unless someone in your family has it (see below).

I am guessing the next few weeks will be a bit crazy so a friendly reminder to keep your child home if they are unwell; remember to hand sanitise on entering and exiting the studio and wearing a mask. And we really do appreciate no parents entering the premises just to keep contacts as low as possible. We have also disinfected the studio.

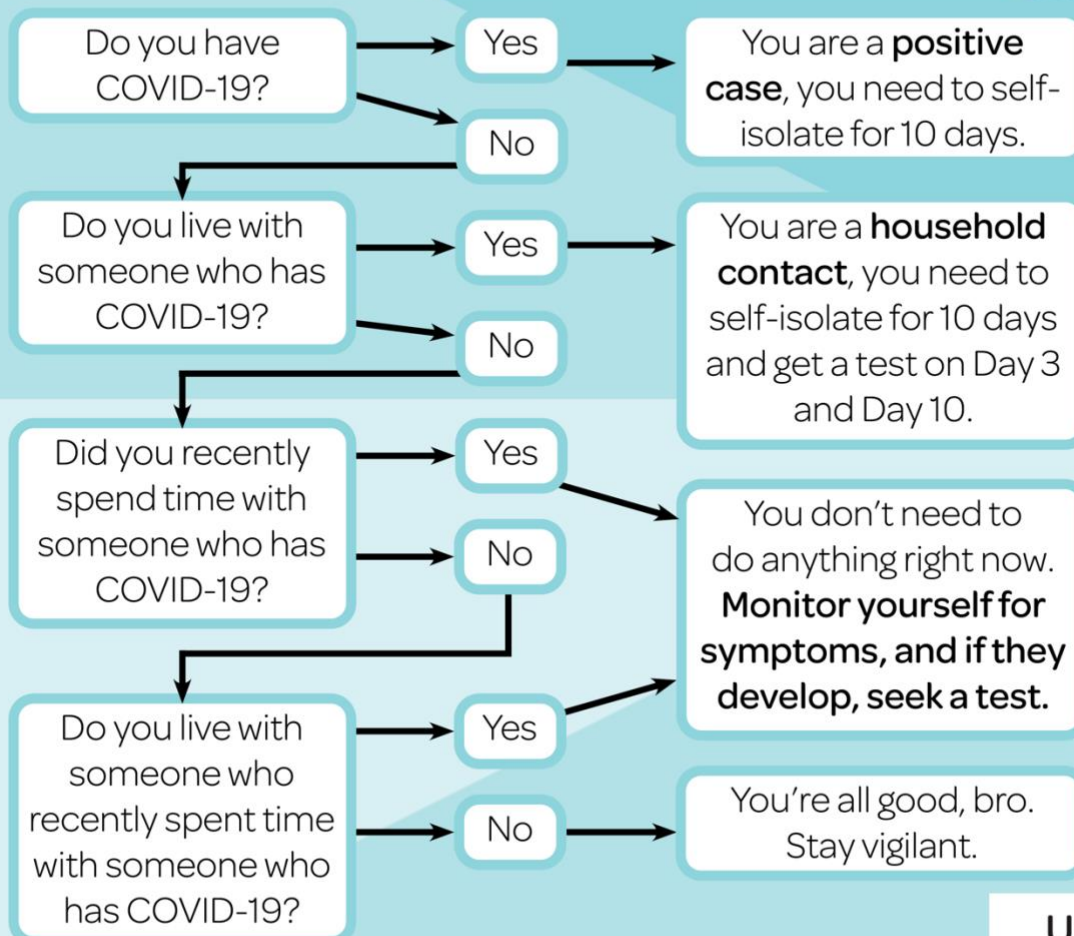

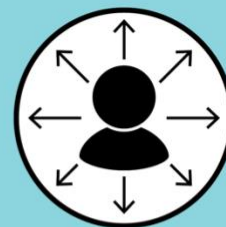

Everyone has been so supportive and understanding and I do appreciate everyone putting in the effort to keep everyone healthy.

If you have any questions please do not hesitate to contact me.

Take Care,

Caroline
