

Hi Everyone,

Well I don't know about you but Term 2 is moving very quickly and it doesn't help that this is one of our busiest terms.

DATES TO PENCIL ON THE CALENDAR

I will let you know as soon as I have the dates confirmed.

- NZAMD EXAMS - 2ND to 4th July
- APDA EXAMD – Week of 25th July

UNIFORM

Hopefully by now all the dancers have ordered their uniforms (if needed) and they should all be handed out over the next week. If your dancer does not have an exam uniform (photos are on our facebook page) then please contact me asap.

ACCOUNTS

Please ensure your accounts are up to date, or contact me to agree on an instalment plan.

Unfortunately, I have a large amount outstanding as we finish up the 2021/22 financial year I wish to avoid my accountant sending to the debt collectors.

I have not increased my fees (due to covid) for several years despite increased costs but I do need the fees paid.

EXAMS

Please encourage your dancer to practice at home - it really does make all the difference if they practice at least once between their weekly class (and any more is a super bonus ☺). And a reminder to wear exam uniform to class (dress like a dancer, dance like a dancer).

Some classes will be having extra lessons so look out for these emails and reminders on our facebook page.

If you have any questions please do not hesitate to contact?

Thanks, Caroline
