

## **NZAMD**

24 Sleeps to go! Our examiner is Miss Patten and we have confirmed dates of 30<sup>th</sup> June to 3<sup>rd</sup> July but still waiting on the timetable.

Please note no classes (unless emailed) to be held on Thursday 30<sup>th</sup> June and Friday 1<sup>st</sup> July due to examinations.

## **APDA**

49 Sleeps to go! Although not ideal these exams are on the first three days of Term 3 and I have made the tough decision not to run classes through the holidays. My teaching staff need a break as this year has been very long (although gone very fast) so the plan is to come in the weekend prior to exams for a refresher/last class. Therefore, please keep Saturday 23<sup>rd</sup> and Sunday 24<sup>th</sup> July available and I will issue a timetable soon.

Exam timetable has been emailed to exam students for Monday 25<sup>th</sup> to Wednesday 27<sup>th</sup> July and our examiner is Miss Moody.

## **ATTENDANCE/COVID**

Sadly, it is very rare that we have a full class of healthy students in attendance which has caused some headaches for teachers (obviously no one's fault). Because of this, our exam results may be lower than previous years but I am just thankful we have been able to continue with dance. Currently, there appears to be a wave of "Covid" (or simple colds) going around so I am crossing fingers it will be over before our actual exams!

## **EXTRA LESSONS**

Extra lessons have now started and each week this differs so please note I have not issued a "school email" outlining, but rather dance classes have been emailed separately. I will also put friendly reminders on our FB page.

I am unable to offer private lessons this year but if any students wish to practice in their own time at the studio please don't hesitate to ask?

**If you have any questions please do not hesitate to contact?**

**Thanks, Caroline**
