The first show on SATURDAY ONLY will be split into two mini shows known as "Part One" and "Part Two" Tickets will be sold separately for these half shows SO it is important if purchasing for a half show that you know which part your dancer is in – this information is attached.

Please note "Chickens" perform in the 12.30pm shows only.

Your dancer may purchase a ticket but will unfortunately will only be able to sit in the audience for the "half" that they don't perform in (so there is no interruption to the audience).

Part One or Two - All Tickets are \$18 each

Full Show – Children \$15 and Adults \$28

The best way to purchase is online <https://www.iticket.co.nz/events/2025/nov/lets-search-it> and you will need the password **QUESTIONS** Please share this code with your family and friends if they are purchasing tickets. The code stops the public/ people unrelated to CSSD, purchasing tickets before our family and friends.

Alternatively, you can contact Whirianaki Whare Taonga Ticketing Office – Phone 527 2168 (9am to 4pm – 7 days a week) – to be purchased over the phone or in person. If you require the wheelchair seats then you need to do this through them.

For those new to the dance school – tickets do sell very quickly! There are no refunds – please remember I do not make money from the recital – all the ticket sales go towards covering the theatre hire, lighting, video, programs/posters, props/decorations, music, licences, trophy engraving and any extras things along the way.

RECITAL VIDEO

Included in your recital ticket is access to view the video online and download to your own device. You can share this far and wide with family and friends around the world!

HAIRSTYLES

We have many students in more than one dance so it is easier to have the same hairstyle for everyone. BUNS are the easiest and make our dancers look professional and tidy – Costume coordinators please let me know if this doesn't work for a particular costume due to hats?

THEATRE REHEARSALS

Timetable is attached for the Monday 27th though to Thursday 30th October. Remember to carpool and help each other out during this crazy but full of “fun, friendships and memories made” week. Every practice is important as the dancers get more comfortable with their new stage setting as the week goes by.

Please note there may be rehearsals on the Friday for our senior dancers (if needed).
